Current status: Stay-at-home father

PROFILE

Self-taught Web Developer with experience in **HTML, CSS, JavaScript, React** and using **Git** and **Github**. Please see Projects Page (above) for examples of my work.

JLPT – N3 certified with experience of working in Japanese.

Diverse career before discovering programming, with a track record of succeeding in any environment, effective communication and absolute commitment to achieving goals.

EXPERIENCE

INTERNATIONAL KARATE INSTRUCTOR (2011 > 2019)

International Communications Officer for the World Oshukai Federation (W.O.F.) – a worldwide organization of approx. 7,000 members.

International liaison; organizing international seminars and events; and representing W.O.F. Headquarters at international events, including teaching overseas.

Chief Karate Instructor for W.O.F. in Okinawa; and Chief Instructor and Manager of the International Karate Study Centre, a tourist attraction and hub for Karate enthusiasts worldwide.

MILITARY ANALYST (2006 > 2009)

Defence Science and Technology Laboratory (Dstl) – UK Ministry of Defence.

Co-ordinating with managerial, research and active military staff to provide analytical support to Dstl projects assessing future defence force structures and capabilities.

Completed two operational tours, Iraq (4.5 months), Afghanistan (3.5 months) independently supporting the operations headquarters with timely on-demand analysis and regular briefings to senior command.

EDUCATION

BSC (HONS) MATHEMATICS (2000 > 2005)

Modules included: Operational Research, Decision Support, Statistical Modelling, Statistical Computing, Statistical Inference. Such modules focus on applying mathematical techniques to complex real-world problems.
